Maxwell s detailed descriptions and many examples are easy to understand and applicable whether at home, on the job, at church, or on the ball field. Inside The 17 Essential Qualities of a Team Player, Maxwell outlines the successes of team players who have been: - Intentional--making every action count toward a long-term goal - Relational--focused on others - Selfless--willing to take a subordinate role for the sake of the team - Tenacious--hardworking and optimistic in the face of setbacks Maxwell shows how these qualities, and many others, impact the team and its success. The 17 Essential Qualities of a Team Player is not feel-good platitudes and abstract thinking, but concrete actions designed to improve the value of every team player.
